Docket No. 98N-1265 2580 99 JUN 11 A10:30
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

This service of compounding prescriptions is a
very important part of medical care for all
people. Don't restrict the availability of
required prescriptions.
